Amendment

Hon. Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

This paper is responsive to an Office action mailed November 17, 2005. Since the paper is being submitted within the three month period for reply set in the action, no extensions of time are necessary.

The action rejected some of the original 13 claims, objected to others and indicated that still others were allowable as filed. As is set forth in more detail in the **Remarks** section of this paper, the claims are being amended in accordance with the positions set forth in the action.

It is believed that this application will be in condition for allowance once this amendment is entered.
